**AudioVu.com Welcomes Nationally Recognized Law Firm as New Client
--Belli, Weil & Grozbean (www.bwg-law.com) Adds Website Innovation—**

December 21 2004, St. Louis, MO -- AudioVu.com, a St. Louis-based Internet audio content company, has recently announced that Washington, DC-area based law firm, Belli, Weil & Grozbean (BW&G), has joined its rapidly-growing roster of clients. BW&G is nationally known as one of the top firms that specializes in a multitude of legal areas, including divorce, personal injury, medical malpractice and corporate law. The firm also has affiliate offices in Atlanta and San Francisco.

“I grew up knowing the name Melvin Belli as the famed trial lawyer so it is pretty incredible to be working with his firm,” commented Lawrence I. Norber, president of AudioVu.com. BW&G’s family law partner, Stuart Grozbean, was impressed with AudioVu’s ability to maximize the website’s potential for new clients by adding the custom audio component. Grozbean fully recognizes the need to be innovative in engaging web visitors who may not be ready to make that first call.” “I might add that having a well-known prestigious client is a terrific way to extend AudioVu’s national reach,” said Norber.

AudioVu.com specializes in professionally produced custom streaming voice-overs for websites that drive desired visitor behavior and converts them to live prospects. The result is that AudioVu.com transforms a website into a compelling multi-media source that increases productivity.
